

Can You Put a Price on *Peace of Mind?*

Life Care at Village On The Isle

A Life Plan Community (LPC)—also referred to as a Continuing Care Retirement Community (CCRC)—is more than a place to call home. It's a life choice that provides you with a lifestyle designed just for active older adults that includes a host of services and amenities, including a full continuum of on-site health care.

Residents at Village On The Isle love the worry-free island life without the stress of maintenance, housekeeping and daily meal preparation.

When you choose a Life Care plan, the most comprehensive option at Village On The Isle, you'll pay a one-time entrance investment and a monthly fee that will not change as your health needs change. That means, should you need additional care, there's no guesswork: the costs are predictable, and you'll be able to stay in the community you've grown to love.
